

How can I choose the plan that is right for me?

What will I need to enroll?

A Checklist:

- A list of the prescription drugs you are currently taking, including the names and doses. This will help ensure you choose a plan that meets all your prescription drug needs.
- Information about any prescription drug coverage you currently have, be it employer or union sponsored or a Medigap policy.
- The name and address of the local pharmacy you use to fill prescriptions.
- The out-of-pocket amount you spend on prescription drugs each year.
- Your Medicare enrollment information.
